## General Provisions

Written notice of injury on which claim may be based must be given to the Insurer within thirty days after the date of the accident causing such injury. Such notice given by or on behalf of the Insured Person or Beneficiary, as the case may be, to the Insurer at its Head Office, Montreal, Québec, or to any Branch Office of the Insurer or to any authorized agent of the Insurer, with particulars sufficient to identify the Insured Person, shall be deemed to be notice to the Insurer. Failure to give notice within the time provided in this policy shall not invalidate any claim if it shall be shown not to have been reasonably possible to give such notice during such time and that notice was given as soon as was reasonably possible, but in no event later than one year after the date of the accident.

The Insurer, upon receipt of such notice, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not so furnished within fifteen days after the receipt of such notice, the claimant shall be deemed to have complied with the requirements of this policy as to proof of such loss upon submitting within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, character and extent of the loss for which claim is made.

In the case of claim for loss, written proof of such loss must be furnished to the Insurer within ninety days after the date of such loss. Failure to furnish such proof within such time shall not invalidate nor reduce any claim, if it shall be shown not to have been reasonably possible to furnish such proof during such time and that such proof was furnished as soon as was reasonably possible, but in no event later than one year after the date of the accident.

The Insurer shall have the right and opportunity to examine the person of the Insured Person when and so often as it may reasonably require during the pendency of claim hereunder, and also the right and opportunity to make an autopsy in case of death where it is not forbidden by law.

All indemnities provided in this policy for loss will be paid immediately after receipt of due proof.

All moneys payable under this policy are payable in the lawful money of Canada.

This policy includes the endorsements and attached papers, if any, and contains the entire contract of insurance. No statement made by the applicant for insurance shall avoid the insurance or reduce benefits hereunder unless contained in a written application signed by the applicant. No agent has authority to change the policy or to waive any of its provisions. No change in this policy shall

be valid unless approved by an officer of the Insurer and such approval be endorsed hereon or attached hereto.

All statements contained in any such application for insurance shall be deemed representations and not warranties.

No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after proof of loss has been filed in accordance with the requirements of this policy, nor shall such action be brought at all unless brought within three years from the expiration of the time within which proof of loss is required by this policy.

If any time limitation of this policy with respect to giving notice of claim or furnishing proof of loss, or commencing an action at law or in equity is less than that permitted by law of the Province in which the Policyholder is located at the time this policy is issued, such limitation is hereby extended to agree with the minimum period permitted by such law.

This policy may be cancelled by the Policyholder by mailing to the Insurer written notice stating when thereafter such cancellation shall be effective. This policy may be cancelled by the Insurer by mailing to the Policyholder at the address shown in this policy written notice stating when, not less than thirty days prior to a policy anniversary date, such cancellation shall be effective. The mailing of such notice as aforesaid shall be sufficient proof of notice and the effective date of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Policyholder or by the Insurer shall be equivalent to mailing.

Unless otherwise provided in this policy, if the Policyholder cancels, earned premiums will be computed in accordance with the customary short rate table and procedures. If the Insurer cancels, earned premiums will be computed pro rata. Premium adjustment may be made at the time cancellation is effected, and if not then made, will be made as soon as practicable after cancellation becomes effective. The Insurer's cheque or the cheque of its representative mailed or delivered as aforesaid will be sufficient tender of any refund of premium due the Policyholder.

The Insurer shall be permitted to examine the Policyholder's records relating to this policy at any reasonable time, and from time to time until two years after expiration of this policy or until final adjustment and settlement of all claims hereunder, whichever is the later.
